Notice of temporary closure at Sirona for emergency building works week of 14th December 2020

In order to ensure that we can remain open and work safely under restricted Covid-19 social distancing measures we are having essential building works to install a new bigger classroom and office building at Sirona.

This building work will be taking place over the week of **14th December 2020** and so unfortunately Sirona will now be closed a week earlier this term.

We will re-open as normal on **Monday 4th January 2021**.

For those participants who were booked in and already paid for sessions at Sirona that week we will either be issuing refunds for any sessions, or rolling the session over to the following term.

We are sorry for any inconvenience caused but hope you will understand the need for Sirona to have this work completed in order for us to be able to work safely under Covid-19 restrictions.

Please get in touch if you have any further questions.

The funds for the new building have kindly been provided by The Wooden Spoon Trust and East Devon Golf Club to whom we are indebted for their support.
